The Sunshine Kids Foundation was founded in 1982. Sunshine Kids adds quality of life to children with cancer by providing them with exciting, positive group activities, so they may once again do what kids are supposed to do... have fun and celebrate life!

We are dedicated to providing the most exciting activities, trips and events for as many young cancer patients as possible!

The Sunshine Kids Foundation is made up of individuals who are community, business and medical leaders from around the country. Each is committed to providing quality experiences for children with cancer at no cost to their families, hospitals or other support groups.
